

'Special Phone Number with 50% Discount' Reward

Conditions for the Reward:

- the Participant's Cashback Account should have the amount of at least 50% of the cost of the 'Special Phone Number' Service for the Subscriber's phone number selected by the Participant. After confirmation of this Reward, the amount equal to 50% of cost of service for the phone number selected will be withdrawn from the Participant's Cashback Account;
- The order for the Reward is available both after and before the conclusion of the Communication Service Agreement and, in any case, within the period from August 19, 2020 till March 31, 2021.
- during the period when the order for the Reward is available, the Participant should select the special phone number in the mobile app according to the guidelines of the mobile app interfaces.

Terms of Reward Use

- The special phone number will be available to the Participant after September 15, 2020 subject to the conclusion of the Communication Service Agreement with Humans. The Participant reserves the Subscriber's phone number selected under the Reward for 365 days. During this period, the Participant should conclude the Communication Service Agreement and confirm the connection of the Subscriber's phone number selected under the Reward in the mobile app. After the Reward is received provided for a valid Communication Service Agreement with Humans, the Subscriber's phone number will be connected up automatically after the Reward is received.

Description of the Reward

The Participant can order the service 'Special Phone Number' with 50% discount using the Reward.

The '**Special Phone Number**' Service makes it possible for the Customer to select a Subscriber's phone number that meets certain criteria from the Provider's phone number pool available at the time of the services. The cost of 'Special Phone Number' Service depends on the category of the number selected by the Participant. See the details at [Tariff plans](#).

The descriptions of Humans' tariff plans valid in Uzbekistan are posted at Provider's website.
