Description of the Reward

The Reward provides *Unlimited Access to Telegram* Option for the period of the Communication Service Agreement. This offers the unlimited traffic for Telegram (both via official mobile application and the browser), while such traffic does not use the Plan gigabytes and has no speed limitation even after the traffic provided by the Plan ends or with no Plan. Other provisions of the Communication Service Agreement, including the description of tariffs, which does not refer to the conditions of Unlimited Access to Telegram Option be presented at Humans website <https://humans.uz/documents/tariff-plans-available-in-uzbekistan.pdf> .
